

## LOC8 – LOCK & LOCATE

Visit [leica-geosystems.com/LOC8](https://leica-geosystems.com/LOC8) to find out more about the new theft deterrence and location solution.

### LOC8

## Positioning, tracking and locking for total stations

The LOC8 theft deterrence and location solution by Leica Geosystems is an essential addition to Leica total stations for all business owners and employees of Survey & Mapping, Civil Engineering and Building Construction industries. With the flexibility to receive position updates as frequently as once every minute, always know where your instruments are in the field. LOC8 not only doubles up as a great location and tracking tool, it is also a great theft deterrence solution. With the ability to remotely lock and unlock total stations on demand, when required, with just a click of a button through your app or web account.
